« RS EXPO 2019 »

2nd International Exhibition of Road Prevention and Safety

28 to 30 January 2019 – Pavillon Central, SAFEX- ALGIERS

Symbiose-Communication-Environnement co-organized with the National Center for Prevention of road accident and Road Safety (CNPSR) the 2nd edition of the International Road Safety and Prevention Exhibition « **RS EXPO 2019** ».

Under the patronage of the Ministry of the Interior, local organizations and land development, this event is the meeting point for all actors involved in road safety and road accident prevention.

"2018 has been a less deadly year on the country's roads for more than two decades, with a 8.33 percent drop from 2017," said the Director of the National Center for Prevention of Road Accident and Road Safety (CNPSR), Mr. Ahmed Nait El Hocine.

"**RS EXPO 2019**" welcomed this year more than **30** exhibitors on an exhibition area of about **1100** m². More than **3000** professionals attended the event.

The official inauguration of the Exhibition took place on January 28 in the presence of **Mr. Noureddine BEDOUI, Minister of the Interior, Local Organizations and Land Development, Mr. Mustapha LAHBIRI, Director General of National Security, accompanied by senior officials of the Civil Protection Services** and the National Gendarmerie as well as the Wali delegate or deputy -Governor of Dar El Beida.

This 2nd edition took place on the sidelines of the 6th International Transport, Logistics and Mobility Exhibition "Algeria Infrastructure 2019".

The event brought together sector professionals to discuss and debate issues related to road safety..

Exhibition Objectives:

- *Bring together all stakeholders in road accident prevention and road safety to remedy the problems of the sector.*
- *Raise awareness of road operators and users*
- *Reverse the accident rate.*
